How we contact you

We will send you notices and documents in writing to the address that you have nominated. In some instances (for example, changes to interest rate and fees and charges) we may notify you by publication in a newspaper circulating generally throughout Australia. Please see clauses 8.1 and 8.4 of these terms and conditions.

If you have not nominated an address, we may send you a notice or document to your last known residential address.

You may consent in writing to us giving you notices electronically. If you give us that consent:

- we may no longer give you paper documents;
- you must check electronic communications regularly for documents; and
- you may withdraw your consent at any time by notice to the *loan servicer*.

You must notify us if you change your name, residential or electronic address.

Your mortgage manager

Your *mortgage manager* can discuss with you any question you have about your *loan*.

We offer competitive and innovative loan products. During the loan term, you may decide that another product is better for you or that you wish to seek changes to your *loan*, like fixing the interest rate on a *facility account*. You can talk to your *mortgage manager* about this. Please note you cannot apply to fix the rate on a *facility account* that is a *construction facility* before the *date of final advance* on the account.

Also, you can talk to your *mortgage manager* if you wish to sell a *security property*, but wish to retain your *loan* to assist you to purchase a new property.

The particulars of your *mortgage manager* are in the *schedule*.

PART 1: STANDARD TERMS

Generally, the terms in this Part 1 apply to your *loan*. Please read the terms carefully. You will note that some terms do not apply to:

- *construction facilities*;
- *fixed rate facilities*; or
- *line of credit facilities*.

Please see Part 2 for terms that apply only to those facilities.

1. YOUR LOAN

1.1 The contract for your *loan*

The *schedule* and these terms and conditions make up the contract for your *loan*. The contract for your *loan* takes effect on the date our settlement agent receives a copy of the *schedule* signed by you.

1.2 Facility accounts

If we make your *loan* available on one account only, that account is a *facility account*.

We may have agreed to your request to divide the total amount of your *loan* into separate accounts. If so, the *schedule* sets out the particulars for each account. Each account is a *facility account*.

We will assign an account number to each *facility account*. We will notify you in writing of each *facility account* number for a *facility account* after the *settlement date* for the account.

1.3 What you must do before we give you your *loan*

Before we make your *loan* available, you must:

- give us all the *security* set out in the *schedule*;
- give us evidence (like the policy document) of current insurance over the *security property* as required by the terms of the *security* over the *security property*; and
- comply with any other requirements notified to you by us, our solicitors or our settlement agent.

We will not make your *loan* available if:

- we require lender's mortgage insurance or title insurance for your *loan* and the insurer will not accept the insurance risk. Please see clause 13.7 for more details of lender's mortgage insurance and title insurance;
- information has come to our attention that leads us to believe, acting reasonably, that:
 - the granting of the *loan* may be prejudicial to our interests;
 - you may not be able to meet your obligations under the contract for your *loan* or the *security*;
 - any *guarantor* may not be able to meet his or her obligations under a guarantee of your obligations under the contract for your *loan* or the *security*;

- the information we received about you or any *guarantor* is incomplete or inaccurate;
- the value of the *security property* has reduced since we valued it and that reduction may affect our ability to recover the *loan*; or
- you are in *default*. Please see clause 10.1 for when you may be in *default*.

1.4 Security for the loan

Your obligations under the contract for your *loan* are secured by the *security*.

1.5 When your *loan* is not regulated by *credit law*

If you are a company, or if your *loan* is predominantly for business purposes or investment purposes (except for investment in residential property), your *loan* will not be regulated by the National Credit Code, despite any statement in the contract for your *loan* that the National Credit Code may apply.

2. DRAWDOWN

This clause 2 does not apply to a *facility account* that is:

- a *construction facility*, until the *date of final advance*. We make progressive advances on a *construction facility*. Please see clause 14 for details relating to progressive advances;
- a *fixed rate facility*. Please see clause 15 for more details on drawing down a *fixed rate facility account*; or
- a *line of credit facility* during the interest only period on the account. Please see clause 16 for details of drawdowns on *line of credit facilities* during an interest only period. After the end of the interest only period on a *facility account* that is a *line of credit facility*, you can drawdown the *available credit* on the *facility account*.

We will make the *facility amount* available to you by one or more drawdowns. The sum of drawdowns on a *facility account* must not exceed the *facility amount*. We will make the first drawdown on a *facility account* on your written instructions or those of your conveyancer or solicitor. You can make other drawdowns by using *StarNet* or *StarCall* or by making a written request to us or through your *mortgage manager*.

You must make a drawdown on your *loan* within 90 days of the disclosure date set out in the *schedule* or we may cancel your *loan*. You can make drawdowns on your *loan* by making a written request to us or through your *mortgage manager*. We may make other drawing methods available to you like direct debits, debit cards and cheques. Please ask your *mortgage manager* for details of drawing methods that may be available on your *loan*.

If you wish to make a drawdown on a *facility account* after the *settlement date* for the account by making a written request to us, we must receive your request at least two *business days* before the date you want the funds. We may charge you a fee for a drawdown that you make by a written request to us.

3. WHEN YOUR LOAN TERM ENDS

Your *loan* term ends on the *final repayment date*. You must pay us the *total owing* by no later than the *final repayment date*. That means you must repay each *facility account* in full by no later than the *final repayment date*.

4. INTEREST

4.1 When you pay interest

You must pay interest on the *balance owing* on each *facility account*. We do not pay interest on credit balances in any *facility account*.

4.2 How interest is calculated

We calculate interest on a *facility account* daily by applying the *daily percentage rate* for the account on that day to the *balance owing* on the *facility account* on that day. On the date we debit accrued interest to a *facility account* (see clause 4.4), we calculate interest on the *balance owing* on the account prior to debiting the accrued interest to the account.

4.3 Default interest on unpaid amounts

If you fail to make a payment on a *facility account*, you must pay interest at the *default rate* on the unpaid amount.

We calculate that interest daily by applying the *daily default rate* for a *facility account* on that day to any unpaid amount on the *facility account* on that day.

4.4 Debiting interest

We accrue interest on a *facility account* daily and debit the accrued amounts to the *facility account*:

- on the last day of the month following the date you first make a drawdown on the *facility account*;
- from then on, on the last day of each month; and
- on the date you repay the *facility account* in full.

In some cases, you may pay interest on interest because we debit interest on the last day of each month.

5. PAYMENTS

5.1 Paying your loan

You must pay all amounts we lend you and all interest, fees and charges we can charge under the contract for your *loan* when they are due until you repay your *loan* in full.

You will repay your *loan* in full when you pay us the *total owing*. You must pay us the *total owing* by no later than the *final repayment date*.

5.2 Minimum monthly payments

The *schedule* sets out the *minimum monthly payments* you must make on each *facility account*.

Please see clause 5.5 about changing the frequency of your *minimum monthly payments*.

5.3 Interest only facilities

We may agree to open a *facility account* on which the *facility amount* does not reduce for a period (the *interest only period*). The *schedule* sets out whether an *interest only period* applies to a *facility account*.

The *schedule* sets out the payments you must make on the *facility account* during the *interest only period*. We will give you at least 20 days prior notice of the payments you must make from the end of the *interest only period*.

If you are considering opening a *facility account* with an *interest only period*, we recommend that you seek financial advice to ensure that the *facility account* would be suitable for your requirements and objectives.

5.4 Payment due dates

The first *minimum monthly payment* on a *facility account* is due one month after the *settlement date* on the account.

For example, if the *settlement date* on a *facility account* is 21 February, you must make your first payment on the account on 21 March.

Then, each payment on a *facility account* is due on the same day of each month until the *facility account* is repaid in full.

If a payment is due on a day that is not a *business day*, you must make the payment on the previous *business day*. For example, if a payment is due on Sunday 20 February, you must make the payment on Friday 18 February.

If a payment is due and there is no corresponding day in a month because the *settlement date* was the 29th, 30th, or 31st of a month, the payment is due on the last *business day* of the month.

5.5 Changing the payment frequency

After you make the first *minimum monthly payment* on a *facility account*, you may request us to change the payments on the account to:

- weekly payments (each weekly payment being the *minimum monthly payment* multiplied by 12 and divided by 52); or
- fortnightly payments (each fortnightly payment being the *minimum monthly payment* multiplied by 12 and divided by 26),

provided that the sum of the payments in any month on the *facility account* are at least equal to the *minimum monthly payment* on the account.

We do not have to agree to your request. Also, we may set conditions if we agree to your request.

5.6 Making payments

You must give us an authority, in the form we require, and maintain that authority to debit payments you must make from an account you nominate. Please refer to Part 5 for the conditions relating to the authority you give us.

We may debit a *facility account* instead of the *nominated account* with fees and charges you must pay under the contract for your *loan*. Please see clause 7.1 for more details.

You may change the *nominated account* by completing another authority in the form we require.

You must ensure that the *nominated account* has sufficient cleared funds to meet payments you must make under the contract for your *loan*. If you have insufficient cleared funds available in the *nominated account* to make a payment, you may be in *default* of the contract for your *loan*. Please see clause 10 for when you may be in *default* and the consequences of being in *default*.

You can make *additional payments* by any other payment method we may make available like, BPAY and salary crediting. Please ask your *mortgage manager* for details of payment methods that may be available on your *loan*.

5.7 Crediting of payments

We will seek to debit each payment you must make under the contract for your *loan* from the *nominated account* before 4:00pm Melbourne time on the day that the payment is due.

If we receive a payment after 4:00pm Melbourne time, we will credit that payment to the *facility account* on the next *business day*.

We apply each payment on a *facility account* to amounts comprising the *balance owing* on the account in any order we consider appropriate. We may apply payments you wish to make on a particular *facility account* to another *facility account* or other *facility accounts*.

5.8 If a payment is dishonoured

If any payment we seek to debit from the *nominated account* is dishonoured, we will treat the payment as not having been made and we may charge you a fee.

5.9 Additional payments

Subject to this clause, you may make *additional payments* to a *facility account*, or repay your *facility account* in full, at any time.

If the *facility account* is a *fixed rate facility*, you may make *additional payments* up to a total of \$20,000 during the *fixed rate term*. We may, at our discretion, return any *additional payments* over the total of \$20,000 to your *nominated account*, or to your *facility account*. We may charge you break costs on the *additional payments* credited to the *facility account*.

Please refer to clause 15.6 for more details on *additional payments* to *facility accounts* that are *fixed rate facilities*.

5.10 How we apply additional payments

When a variable rate applies to a *facility account*, we apply each *additional payment* you make on a *facility account* to the *minimum monthly payment* due on the account in the next month. For example, if you make an *additional payment* in September, that payment is applied towards the payment due in October, but not payments due in any later month.

If you ask us to draw an *additional payment* from your *nominated account*, you can arrange with us or your *mortgage manager* for us not to apply the *additional payment* to the *minimum monthly payment* due in the next month.

Unless we return an *additional payment* under clause 5.9, we credit *additional payments* immediately to the *facility account* and the *balance owing* on the account is reduced accordingly.

We do not apply each *additional payment* you make on a *fixed rate facility* to the *minimum monthly payment* due on the account in the next month. For example, if you make an *additional payment* in September, you must also make the *minimum monthly payment* for September.

6. REDRAW

Clause 6 does not apply to a *facility account* that is a:

- *construction facility*, prior to the *date of the final advance* on the account;
- *fixed rate facility*; or
- *line of credit facility* during the interest only period on the account.

6.1 Requesting redraw

If you make *additional payments* on a *facility account* and the *annual percentage rate* on the account is a variable rate of interest, you may request to redraw from the account. We will agree to your request unless:

- the amount you request is more than the *available credit* on the *facility account*;
- we reasonably believe that you are unable to repay your *loan* in accordance with the contract for your *loan* or may be unable to do so if we make the redraw available to you;
- we reasonably believe that the information given to us about you or any *guarantor* is misleading or false;
- we reasonably believe that we are unable to enforce a *security*;
- you are in *default*. Please see clause 10.1 for when you may be in *default*; or
- the *loan servicer* does not consent to the redraw request.

Redraws on a *facility account* will increase the amount you owe on the account. Please consider carefully the financial consequences of a redraw before you request a redraw.

6.2 How to redraw

You can redraw by:

- making a request through *StarNet* or *StarCall*;
- making a written request to your *mortgage manager*; or
- making a written request to us.

If we agree to your request to redraw an amount, we will credit the amount to the *nominated account*. We will seek to do so within two *business days* of receiving your redraw request.

6.3 Other redraw methods

We may make other redraw methods available to you like debit card, direct debits and cheques. Please ask your *mortgage manager* for details of redraw methods that may be available on your *loan*.

6.4 Redraw fee

We may charge you a fee for a redraw.

7. FEES AND CHARGES

7.1 Payment of fees and charges

You must pay:

- the fees and charges when they are payable as set out in the *schedule*;
- any new fees and charges we introduce in accordance with the contract for your *loan*; and
- government fees, charges and taxes relating to your *loan* or *security*.

You must pay us any fee or charge due before the *settlement date* for a *facility account* even if you do not draw down on the account. You must pay those fees or charges when we demand.

Also, if we are liable to pay *GST* or any similar tax on a supply (“the supply”) made in connection with the contract for your *loan* or a *security*, you must pay us an amount equal to the consideration payable for the supply multiplied by the prevailing rate of *GST*.

We may debit fees and charges from the *nominated account*, including if you discharge your *loan* and there are unpaid fees or charges relating to the *loan*.

7.2 Fees or charges increase the balance owing

When we debit a fee or charge to a *facility account*, that fee or charge is added to the *balance owing* on the account and will attract interest accordingly.

8. CHANGES TO YOUR LOAN

8.1 Changes to interest rates for variable rate loans

When a variable rate applies to a *facility account*, we may vary the *annual percentage rate* and the *default rate* on the account at any time to reflect our view of market conditions. We will notify you no later than the date the rate increase applies to the *facility account* or we may publish that notice in a newspaper circulating generally throughout Australia.

You can find out the *annual percentage rate* or the *default rate* for a *facility account* by contacting us or your *mortgage manager*.

8.2 Changes to payments

Clause 8.2 does not apply to a *facility account* that is a *construction facility* or a *facility account* that is a *line of credit facility* during the *interest only period* on the account.

When a variable rate applies to a *facility account*, we may vary the *minimum monthly payments* on the account at any time to ensure you pay the *total owing* by the *final repayment date*.

If we increase *minimum monthly payments* on a *facility account*, we will notify you at least 20 days before the increase takes effect. If we decrease *minimum monthly payments* on a *facility account*, we will notify you no later than when you receive your first statement for the account after the decrease takes effect.

8.3 Changes to payment frequency or period

We may change:

- the frequency of payments;
- when payments are due; and
- the manner in which we require a payment to be made.

We will notify you at least 20 days before the change takes effect.

8.4 Introducing and changing fees and charges

We may:

- introduce new fees or charges;
- change the amount and frequency of a fee or charge;
- change the due date of a fee or charge; and
- change the manner in which any fee or charge is to be paid.

We will notify you at least 20 days before any increase in a fee or charge or new fee or charge takes effect. We may publish that notice in a newspaper circulating generally throughout Australia. You can ask your *mortgage manager* for details of the most current fees on your *loan*.

8.5 Changes to redraw provisions

We may cancel or vary your ability to redraw *additional payments* at any time. We will notify you at least 20 days before the change takes effect.

8.6 Other changes to the contract for your loan

Acting reasonably, we may make changes to any other term of the contract for your *loan* because of:

- changes in the cost of providing credit to you;
- changes in legal or other regulatory requirements affecting us;
- changes to our systems or products;
- updates to our general terms and conditions;
- any errors in the contract for your *loan*; or
- changes to industry practice.

We will notify you at least 20 days before any of those changes take effect.

8.7 Electronic notice

If you have consented, we may give you notice of changes to your *loan* by electronic means.

9. OPERATING YOUR FACILITY ACCOUNTS

9.1 Operating instructions

You authorise us to allow any one of you to operate your *facility accounts* by written instructions, by *StarNet*, or *StarCall*. Please see clause 12 for more details on operating your *facility accounts* by *StarNet* or *StarCall*.

You agree that any one of you can bind all of you. For example, any one of you can ask us to debit a *facility account*, or to make any other transaction in respect of a *facility account*. Each of you will be liable even if any of you did not know about or did not agree to the transaction.

9.2 Giving written instructions

For any transaction you wish to make by written instructions, you must clearly identify the *facility account* on which you wish to operate by name and number and the transaction you wish to carry out. You must give us all information reasonably necessary for us to act on your instructions.

9.3 We may not act on written instructions

We may not act on written instructions from you if:

- the instructions are inconsistent with the contract for your *loan*;
- we reasonably believe that an instruction you give us may result in loss to you or us; or
- your instructions are not clear or conflict with another instruction or with an obligation that we owe.

We may refuse to act on a written instruction until we have confirmation from you regarding the instructions.

Also, we may not act on the instructions you give us after we become aware of a dispute between you, or that any of you has died, become *insolvent*, or become mentally incapacitated.

10. DEFAULT AND ENFORCEMENT

10.1 Default

You are in *default* if:

- you do not make a payment on any *facility account* on time;
- you do not comply with any other obligation you owe under the contract for your *loan*;
- there is a default under any *security* or other agreement with us;
- there is insufficient *available credit* in the *facility accounts* to pay fees and charges when they are due and we are unable to debit the *nominated account* with the amount of those fees and charges;
- you are an individual and you die or are *insolvent* or are gaoled;
- you are a company and you are *insolvent* or there has been a change of control of you that we consider, acting reasonably, affects our ability to recover the *loan*;

- any action is commenced or threatened to confiscate any *security property* under any legislation relating to the proceeds of crime;
- any insurer, who has provided lender's mortgage insurance or title insurance in respect of the *loan*, cancels, suspends or limits that insurance; or
- we reasonably believe that any information given to us about you, the *security property* or any *guarantor* is misleading or false.

10.2 Consequences of default

If you are in *default*, we may refuse to give you further credit and cancel your access to *StarNet* and *StarCall*. Also, we may take any action available to us to protect our interests and recover the *total owing* including:

- enforcing the *security*. We may take action against you to recover the *loan* whether or not we enforce the *security*;
- paying insurance premiums and outstanding rates and taxes in relation to the *security property*; and
- giving you notice requiring you to fix the *default*.

We will give you at least 30 days written notice to fix a *default*. If you do not fix the *default* as the notice requires, the *total owing* will become immediately payable.

We will not give you notice of a *default* and the *total owing* will become immediately payable if:

- we reasonably believe that we were induced to enter into the contract for your *loan* by your or a *guarantor's* fraud;
- we have made reasonable attempts to locate you without success; or
- a court authorises us to do so.

We can take action even if we do not do so promptly after the default occurs. We do not lose any rights or forgive any defaults, unless we do so in writing.

10.3 Enforcement expenses

You must pay the reasonable expenses which we reasonably incur in enforcing or preserving our rights under the contract for your *loan* or a *security* including our reasonable internal costs.

Enforcement expenses are payable by you when we incur them.

We may debit enforcement expenses to any *facility account*. Then, they become part of the *balance owing* on that *facility account* and will attract interest accordingly.

11. RESOLVING DISPUTES

11.1 What to do if you have a complaint

12. USING STARNET AND STARCALL

12.1 Safeguarding your facility account

You can assist in safeguarding your *facility account* if you:

- (a) memorise your *access code* and not keep a written record of the *access code*;
- (b) never tell anyone your *access code*;
- (c) try to prevent anyone seeing you enter your *access code* when you use your *access code*;
- (d) if you suspect your *access code* is known by someone else or there is any transaction you have not authorised on your *facility account*, immediately report it to the **24 hr emergency hotline on 1300 300 989** for the cost of a local call;
- (e) keep a record of the 24 hr emergency hotline telephone number with your usual list of emergency telephone numbers; and

- (f) check the statement of your *facility account* as soon as you receive it to identify and report, as soon as possible, any instances of unauthorised use of your *access code* to the 24 hr emergency hotline.

These guidelines for safeguarding your *facility account* are the minimum security measures we suggest you take. Your liability for losses occurring as a result of unauthorised use of your *access code* will be determined in accordance with the *Code*. Please read condition 12.9.

In this clause 12, “*Code*” means:

- (a) until 20 March 2013, the Electronic Funds Transfer Code of Conduct issued by the Australian Securities and Investments Commission on 1 April 2001 as amended; and
- (b) from 20 March 2013, the ePayments Code of Conduct September 2011 issued by the Australian Securities and Investments Commission as amended.

12.2 Giving you access

We will give you an *access code* you can use with your *facility account* number to access *StarNet* and *StarCall*.

Any person holding an *access code* may alter it at any time. Also, you can cancel your *access code* by notifying us in writing. Please see clause 12.7.

Please contact your *mortgage manager* if you do not want us to issue you with an *access code*.

12.3 Using your access code

You may use your *access code* and *facility account* number to:

- request advances or redraws on a *facility account*;
- transfer *available credit* on one *facility account* to other *facility accounts*, in accordance with the contract for your *loan*; and
- make enquiries on the *available credit* on a *facility account*,

through *StarNet* or *StarCall*.

Each *facility account* is a credit account.

StarNet and *StarCall* may not be available during maintenance of our systems or our *loan servicer's* systems or due to circumstances beyond our control.

12.4 Authority

When you use *StarNet* or *StarCall*, you authorise any one of you to give us instructions. You authorise us to debit a *facility account* with the value of all transactions carried out using your *access code* on that *facility account*. You cannot withdraw that authority.

12.5 Statements and receipts

- (a) A transaction record will be available for each financial transaction carried out with your *access code*, unless you indicate that a receipt is not required.
- (b) You should obtain, check and retain all transaction records issued to you for checking against statements for your *facility account*.
- (c) If an *access code* is issued to you, you may request that we give you more regular statements for a *facility account* or a copy of a statement of a *facility account* at any time by using *StarNet* or *StarCall* or by contacting your *mortgage manager*.

12.6 Transaction limits

- (a) You must not seek to make a transaction on a *facility account* by use of your *access code* where the transaction would exceed the *available credit balance* on the account. If you make any *access code transaction* on a *facility account* for an amount that exceeds the *available credit balance* on the account, you are in default of the contract for your *loan* and you must repay the excess immediately without demand from us.
- (b) Your *available credit balance* may change from time to time. You can use your *access code* and *facility account* number to enquire about the *available credit balance* on a *facility account* as at the time of the enquiry.
- (c) We may set limits on the minimum and maximum amounts on the advances or redraws you may make from a *facility account* by use of your *access code* and *facility account* number on any one day through *StarNet* or *StarCall*. At the date we gave these conditions of use to you, the minimum *access code transaction* amount is \$100 and the maximum *access code transaction* amount on a *facility account* is the *available credit* on that *facility account*. You may apply to us or through your *mortgage manager* for a lower limit.

12.7 Cancelling your access code

We may cancel your *access code* if:

- if we become aware of a dispute between you;
- you become mentally incapacitated;
- for security reasons; or
- if you are in *default*. Please see clause 10.1 for when you may be in *default*.

At any time, any one of you may cancel your *access code* by notifying us in writing.

You must not use or seek to use your *access code* after it is cancelled.

12.8 Protecting your access code

(a) You must:

- not voluntarily disclose your *access code* to anyone;
- not write or indicate your *access code*, without making any reasonable attempt to disguise the *access code*, on any article or on several articles that could be lost or stolen at the same time; and
- not act with extreme carelessness in failing to protect the security of your *access code*.

(b) If we let you change your *access code*, you must not select:

- a numeric code which represents your birth date; or
- an alphabetical code which is a recognisable part of your name.

If you select an *access code* that represents your date of birth or a recognisable part of your name, you may be liable for unauthorised transactions by use of your *access code*. Please read condition 12.11.

(c) You must provide correct details (including the BSB and account number) for all *access code transactions*. We cannot stop or alter any *access code transaction* after you give us your instructions. Please record the confirmation number we give you for an *access code transaction* and quote it to us if you have any queries.

12.9 Your liability for losses due to unauthorised transactions

Your liability for losses occurring as a result of unauthorised use of your *access code* will be determined in accordance with the *Code*.

12.10 When you are not liable for unauthorised transactions

You are not liable for losses:

- that are caused by the fraudulent or negligent conduct of our employees or of agents or companies involved in networking arrangements, or of any merchants or of their agents or employees;
- arising because an *access code* is forged, faulty, expired, or cancelled;
- that arise from *access code transactions* which required the use of the *access code*, but occurred before you received the *access code*;
- that are caused by the same *access code transaction* being incorrectly debited more than once to the same *facility account*;
- resulting from unauthorised use occurring after you notify us that the security of the *access code* is breached; or
- resulting from unauthorised use where it is clear that you did not contribute to the losses.

12.11 When you are liable for unauthorised transactions

You will be liable for losses resulting from *unauthorised transactions* where:

- we can prove on the balance of probability that you contributed to the losses through your fraud or because you breached your responsibilities in clauses 12.8(a) or 12.8(b). Then, you are liable for the actual losses which occur before we are notified that the security of the *access code* has been breached; or
- we can prove on the balance of probability that you contributed to losses resulting from unauthorised use because you unreasonably delayed notifying us after you became aware that the security of the *access code* was breached. Then, you will be liable for the actual losses which occur between the time you became aware and when we were actually notified.

Even then, you will **not** be liable for any of the following amounts:

- the portion of losses incurred on a day which exceeds any daily transaction limit;
- the portion of losses incurred in a period which exceeds any other transaction limit for that period;
- the portion of the total losses incurred on any *facility account* which exceeds the *available credit* on the account; or
- any losses incurred on any *facility account* which we agreed could not be accessed by the *access code*.

12.12 Limited liability for unauthorised transactions

If there are *unauthorised transactions* on a *facility account* by use of the *access code* and it is unclear whether or not you contributed to any loss caused by the unauthorised use of your *access code*, you are liable for the lesser of:

- \$150;
- the *available credit* on the *facility account*; or
- the actual loss at the time we were notified that the *access code* has become known to someone else (excluding that portion of the losses incurred which exceeds any daily transaction or other transaction limit(s) on the *facility account*).

In determining your liability under this clause, we will consider all reasonable evidence including all reasonable explanations for unauthorised use having occurred.

The fact that a *facility account* is accessed with the correct *access code*, while significant, is not of itself conclusive evidence that you have contributed to the loss.

12.13 Resolving disputes

- (a) If you believe a transaction is wrong or unauthorised or the statement of your *facility account* contains any instances of unauthorised use or errors, you must immediately notify the 24 hr emergency hotline as explained in clause 12.15. Then, you will be requested to give us details, relating to your *facility account*, to assist our investigations.
- (b) If your complaint cannot be settled immediately to your satisfaction, we will inform you in writing of the procedures for further investigation and resolution and may request further relevant details from you.
- (c) Within 21 days after receiving your complaint, we will:
 - inform you in writing of the results of our investigation; or
 - inform you in writing that we require further time (not exceeding a further 24 days) to complete our investigation. There may be different reasons for us requiring further time to complete our investigation. One of those reasons may be that we are waiting on a response from you.
- (d) Where an investigation continues beyond 45 days, you will be informed of the reasons for the delay and given monthly updates on the progress of the investigation and a date when a decision can be reasonably expected, unless we are waiting for a response from you. If we find that an error was made, we will arrange to make the appropriate adjustments to the *facility account* including interest and charges (if any) and will inform you in writing of the amount of the adjustment.
- (e) If:
 - we are a party to an industry dispute resolution scheme; and
 - that scheme provides a matter can be heard under the scheme if we do not give a final decision on the matter within a specified time,we will inform you in writing, about the option of taking the matter to the scheme, within five *business days* after the specified time period expires.

- (f) When we inform you of the outcome of our investigation, we will:
- give you reasons, in writing, for our decision by reference to this clause 12 and the *Code*;
 - inform you of any adjustments we have made to the *facility account*; and
 - inform you in writing of other avenues of dispute resolution (including Consumer Affairs Agencies, external dispute resolution schemes and Small Claims Courts), if you are not satisfied with our decision.
- (g) If we decide that you are liable for all or any part of a loss arising out of unauthorised use of your *access code*, we will:
- give you copies of any documents or other evidence on which we relied; and
 - inform you whether or not there was any system malfunction at the time of the transaction you complained about.
- (h) If we fail to carry out these procedures or cause unreasonable delay, we will be liable for a part or all of the amount of the disputed transaction where our failure or delay has prejudiced the outcome of the investigation.

12.14 Malfunction

We are liable to you for losses you suffer caused by the failure of our systems to complete a transaction, by use of your *access code*, accepted by the system in accordance with your instructions. However, we will not be liable for consequential losses where you should have been aware that the system was unavailable for use or malfunctioning. In this case, we will have a limited responsibility to correct any error in your *facility account* and the refund of any charges or fees imposed on you as a result relating to the transaction that was not completed. We are not liable for any loss caused by the failure of our systems to accept the transaction.

12.15 Notifying breaches of security

If you believe the security of your *access code* has been breached, please call the 24 hr emergency hotline on 1300 300 989.

We will acknowledge receipt of any report of an unauthorised transaction or access code security breach you make to the 24 hr emergency hot line. Please retain that acknowledgment as evidence of the date and time of your report.

If the 24 hr emergency hotline is not operating when you try to use it to notify us that someone else knows your *access code*, you will not be liable for any losses occurring due to not notifying that event, but only if you contact the 24 hr emergency hotline within a reasonable time after it is operative again.

13. OTHER TERMS

13.1 Assignment

We may assign our rights and interests in your *loan*. We may not give you notice of an assignment unless we are required by law or there is an important reason to notify you. You will have the same rights against an assignee at law as you do against us.

Your rights are personal to you and may not be assigned without our consent.

13.2 Information we request

We may ask you to give us information about you or your circumstances. You must give us that information within a reasonable time.

13.3 Information we may disclose

You consent to us disclosing any information we have about you to any person who acquires our rights or interests in the *loan* or is considering doing so, or to any *guarantor*, or to anybody else having an interest in the *security*.

13.4 Joint and separate liability

If we enter into the contract for your *loan* with more than one person, each person is liable individually for the whole of the *loan*. Also, every two or more persons are liable together for the whole of the *loan*.

13.5 Exercising our rights

We will act reasonably and in accordance with our business needs when we exercise any of our rights in the contract for your *loan*. Also, we will ensure any person exercising our rights acts reasonably. We are not liable for any loss caused by the exercise, attempted exercise, failure to exercise or delay in exercising any of our rights or remedies.

We use the *loan servicer* to administer your *loan*. You may deal with the *loan servicer* when you wish to correspond with us. The *loan servicer*, our solicitors, contractors or agents may exercise our rights.

13.6 Trusts

This clause applies if you enter into the contract for your *loan* as trustee of a trust whether we know about the trust or not.

You agree that you are liable both in your own right and as trustee of the trust.

You declare or undertake to us that:

- you enter into the contract for your *loan* for a proper purpose of the trust;
- you have the power and authority under the trust to enter into the contract for your *loan* and, if the *security* is over the property of the trust, to mortgage the trust property;
- you have the right to be indemnified fully out of the trust property, before the beneficiaries of the trust, for all liabilities that you incur under the contract for your *loan*;
- you are the only trustee of the trust and no steps have been taken to remove you as trustee of the trust;
- you are not in default under the terms of the trust;
- you have told us about each trust of which you are a trustee;
- you have given us a copy of all terms that apply to the trust;
- the trust deed establishing the trust will not be amended without our prior consent;
- you will not resign or be removed as trustee of the trust without our prior consent;
- the trust has not vested;
- you will not take action to terminate the trust without our prior consent;
- no distribution of any capital of the trust will be effected without our prior consent; and
- if the trust is a unit trust, no units will be redeemed without our prior consent.

You must tell us immediately if, at any time, anything happens that would prevent you from truthfully repeating the declarations or giving the undertakings in this clause.

13.7 Lender's mortgage insurance and title insurance

If the *schedule* discloses that you must pay the premium for lender's mortgage insurance or title insurance or both, then we require lender's mortgage insurance or title insurance or both for your *loan*.

Lender's mortgage insurance protects us, not you. If you default and we sell the *security property*, we may incur a loss. We may recover some of that loss from the lender's mortgage insurer. The insurer can recover any amount it pays us from you.

Also, title insurance protects us, not you. If there is a problem with the title to the *security property*, we may incur a loss. We may recover some of that loss from the title insurer. The insurer may be able to recover any amount it pays us from you.

13.8 Read down clause

- (a) If the contract for your *loan* is regulated under consumer legislation (for example, the National Credit Code) or any other law, any provisions in the contract which do not comply with that law have no effect, but only to the extent of the non-compliance.
- (b) There may be some laws passed by parliament or other laws (usually called common law) which lessen, modify, or restrict a lender's rights. None of those laws will operate to limit our rights under the contract for your *loan* unless, by their operation, the laws cannot be negated.
- (c) If any term of the contract for your *loan* is illegal or becomes illegal at any time, that term will cease to have effect, but only to the extent of the illegality. The balance of the contract for your *loan* will remain in full force and effect.
- (d) If any term of the contract for your *loan* is found to be unjust or unconscionable, the term will be read down so that is no longer unjust or unconscionable.

13.9 Our liability

If we make your *loan* available in our capacity as trustee of a trust, our liability to you is limited to the assets of that trust which are available to us to satisfy that liability. This does not avoid or modify the effect of *credit law* or limit your rights under *credit law*.

Only the parties to the contract for your *loan* are liable for any breach of the contract. The contract for your *loan* can only be enforced by the parties, their agents or their assignees.

13.10 Statements

We will give you separate statements for each *facility account*:

- each three months for a *line of credit facility account*; or
- each six months for other *facility accounts*.

Please check your statements for errors or *unauthorised transactions*. If you consider there are errors or *unauthorised transactions*, please notify us immediately.

13.11 Priority of terms

If there is an inconsistency between any of the *schedule*, these terms and conditions and the terms of a *security*, the inconsistency will be resolved by giving priority to the *schedule*, then these terms and conditions, then the *security*.

13.12 Property reports

From time to time, we may arrange a valuation of, or other inspection relating to, a *security property*. This is in addition to any valuation or inspection we may arrange relating to a *construction facility*.

We may charge you a fee for the valuation or other inspection we require.

Any valuation or report we obtain about the *security property* under these terms and conditions is for our purposes and you should not rely on it, even if you find out the value assessed by the valuer or the details of the report. If you wish to have a valuation or undertake an inspection for your own purposes, you should organise it separately.

PART 2: TERMS APPLYING TO PARTICULAR FACILITIES

The terms in this Part 2 apply to particular *facility accounts*. If any term in this Part 2 is inconsistent with a term in Part 1, the term in Part 2 applies to the extent of the inconsistency.

14. CONSTRUCTION FACILITY

14.1 When this clause applies

Clause 14 applies only to a *facility account* that is a *construction facility* and only until the *date of final advance* on the account.

14.2 Facility purpose

A *construction facility* must be used to complete construction of a building on a *security property*.

14.3 Progressive advances

We will give you progressive advances up to the *facility amount*. We may undertake a valuation of the *security property* before any progressive advance. Please see clause 14.10 for more details.

We will make progressive advances only if we are satisfied that:

- the amount you request is no more than the *available credit* on the *facility account*;
- there will be sufficient undrawn funds in the *facility account* to complete the construction in accordance with the building contract;
- the valuation of the *security property* is reasonably satisfactory to us; and
- you have contributed any money towards the cost of building that you have agreed to pay.

We will pay all advances directly to the builder. We may charge you a fee if we are requested to make a payment other than by electronic transfer. You must give us an authority to pay the builder for each advance.

A progressive advance may not be sufficient to meet your obligations to the builder.

We may refuse to make a progressive advance on the *facility account* if you are in *default*. Please see clause 10.1 for details of when you may be in *default*.

If the construction is completed for less than the anticipated total cost you notified to us in relation to the application for your *loan*, we need not lend you that part of the *facility amount* that is the difference between the anticipated total cost and the actual cost.

14.4 What you must do before we make the first progressive advance

Before we make the first progressive advance on the *facility account*, you must give us:

- a copy of the fixed price building contract signed by all parties to it;
- a copy of all approved plans and specifications with evidence they have been approved;
- a copy of the builder's current certificate of registration if we request that certificate;
- a copy of the builder's all risks insurance policy showing our interest as mortgagee for an amount not less than fixed price under the building contract and in a form reasonably satisfactory to us;
- evidence of a home owner's warranty certificate for an amount not less than the fixed price under the building contract including variations; and
- any additional information we reasonably request.

14.5 Requirements for other progressive advances

When you request a progressive advance on the *facility account*, you must arrange for your *mortgage manager* to give us:

- your request for us to make a progressive advance;
- your builder's progress claim; and
- any other information about the construction we reasonably require.

You must not request a progressive advance which exceeds the amount of the builder's progress claim or which would leave you with insufficient *available credit* to complete construction in accordance with the building contract.

14.6 Requirements for the final progressive advance

When you are ready to request the final progressive advance to meet the builder's final claim, please contact your *mortgage manager* or the *loan servicer*. Then, your *mortgage manager* will arrange for a valuer to inspect the *security property* to determine whether construction has been carried out in accordance with the approved plans and specifications you gave us. If construction has been carried out in accordance with those plans and specifications, the valuer will give us a certificate to that effect.

We will consider making the final progressive advance to meet the builder's final claim only if we have received that certificate from the valuer and only if you have given us:

- an occupancy permit or equivalent;
- your builder's final progress claim; and
- evidence of insurance undertaken in accordance with the terms of the *security*.

14.7 Payments

The *schedule* sets out the payments you must make on the *facility account*.

You must make interest only payments on the *facility account* until the *date of final advance* on the account. We will give you at least 20 days prior notice of the payments you must make after the *date of final advance* on the *facility account*.

14.8 Commencing and completing construction

You must start construction within 12 months of the *settlement date*.

You must ensure that the construction is completed and give us all of the documents referred to in clause 14.6 within 12 months of commencing construction.

14.9 Building contract

You must notify us if there are any material variations to the building contract or if the construction does not take place in accordance with the building contract.

14.10 Valuations and inspections

We may arrange a valuation of the *security property* prior to any progressive advance. We may charge you a valuation fee which we may deduct from the progressive advance. You must make up the rest of the payment that is due to the builder.

Also, we may arrange to inspect the construction at any time. We may charge you an inspection fee.

Any valuation or inspection we arrange is for our purposes. We are not responsible for the standard, value, progress, or condition of the construction or the *security property*.

14.11 Insurance

You must ensure that the value of the building is fully insured as that value increases, and provide any other insurance relating to the building work that we may reasonably require.

14.12 No fixed rates

You cannot ask us to fix the rate on a *construction facility*.

15. FIXED RATE FACILITIES

WARNING ABOUT FIXED RATE FACILITIES

If you repay all or any part of the *fixed rate facility* (including after we take enforcement action), or you request a change to a variable interest rate before the end of the *fixed rate term*, you must pay *break costs* in accordance with clause 15.7. If money market rates of interest fall, *break costs* may be substantial.

You can ask us at any time for an estimate of the *break costs* that may apply under clause 15.7 to a *fixed rate facility account*.

We recommend that you obtain independent advice about the benefits and risks of fixed rate borrowing before you ask us for a *fixed rate facility*.

15.1 When this clause applies

Clause 15 applies only to a *facility account* on which you have asked us to fix the interest rate.

15.2 Locking a fixed rate

You can lock a fixed rate on the *facility account* at the time you apply to fix the rate on the account. If you wish to lock the rate, you must pay a locked rate fee. We may debit the fee from the amount you drawdown on the *facility account* or from your *nominated account*.

If you:

- lock the rate on a *facility account*; and
- drawdown the account within two months from the date we approve your application to fix the rate on the account,

the fixed rate set out in the *schedule* for the account will apply for the *fixed rate term* on the account.

If you drawdown the *facility account* more than two months from the date we approve your application, the rate that applies to the *facility account* will be the variable rate we offer on similar facilities. Then, this clause 15 will no longer apply to the *facility account*. We do not refund the locked rate fee.

15.3 Other fixed rates

If you have not locked the rate on a *facility account* under clause 15.2, we set the *annual percentage rate* that will apply for the *fixed rate term* for the account on the *settlement date*. That rate will be the fixed rate we offer on similar facilities that day. That *annual percentage rate* may be higher than the rate set out in the *schedule* for the *facility account*.

15.4 One drawdown only

You must drawdown the *facility amount* on the *facility account* in full when you drawdown on the account.

15.5 Requesting a variable rate during a fixed rate term

You may request us to change the rate applying to the *facility account* during the *fixed rate term* to a variable rate or another fixed rate. If we agree to your request, you must pay us the *break costs* we calculate in accordance with clause 15.7.

15.6 Additional payments on fixed rate facilities

If the *facility account* is a *fixed rate facility*, you may make *additional payments* up to a total of \$20,000 during the *fixed rate term*. We may, at our discretion, return any *additional payments* over the total of \$20,000 to your *nominated account*, or to your *facility account*. We may charge you *break costs* on the *additional payments* credited to the *facility account* in accordance with clause 15.7.

You cannot redraw *additional payments* we credit to the *facility account* during a *fixed rate term*.

You must pay us *break costs* we calculate in accordance with clause 15.7 on repayment of the *facility account* in full (including where the facility is repaid in full after we take enforcement action), at the same time the *additional payment* is made.

15.7 Calculation of break costs

Break costs are the amount we determine acting reasonably which represents our loss and costs arising from an event set out in clause 15.5 or 15.6. Each of those events is a break event. This loss or cost usually arises because of changes in money market rates of interest between the start of the *fixed rate term* and when the break event occurs.

We may calculate the *break costs* for a *fixed rate facility*, depending on the arrangements we entered to fund your *fixed rate facility*:

(a) as our costs of breaking any related fixed rate funding agreement with another party. That party will tell us of what those costs will be when we request it.

We do not have to provide you with any funding agreement, or details of any funding agreement, between us and another party; or

(b) by calculating the amount representing the difference between our cost of funds at the start of the fixed rate period and our cost of funds on the date of the break event over the remainder of that period. This is then discounted back to the net present value at the rate equivalent to our cost of funds at that date.

We will not pay you any benefit we receive from a break event.

15.8 When a fixed rate term ends

We will convert the annual percentage rate on the *facility account* to a variable rate at the end of the *fixed rate term*. Then, this clause 15 no longer applies to the *facility account*.

16. LINE OF CREDIT FACILITIES

16.1 When this clause applies

Clause 16 applies only to a *facility account* that is a *line of credit facility* and only during an interest only period on the account. The *schedule* sets out whether there is an interest only period on a *facility account* that is a *line of credit facility*.

16.2 Drawdowns on a facility account

We will make credit available on the *facility account* during the interest only period up to the *credit limit* on the account. After the end of the interest only period on the *facility account*, you can drawdown the *available credit* on the *facility account*.

16.3 Drawdown

We may refuse to fund a drawdown on the *facility account* if:

- the amount you request is more than the *available credit* on the *facility account*;
- we reasonably believe that you are unable to repay your *loan* in accordance with the contract for your *loan* or may be unable to do so if we make the drawdown available to you;
- we reasonably believe that the information given to us about you or any *guarantor* is misleading or false;
- we reasonably believe that we are unable to enforce a *security*;
- you are in *default*. Please see clause 10.1 for when you may be in *default*; or
- the *loan servicer* does not consent to the drawdown request.

16.4 How to drawdown

You may drawdown on the *facility account* by using *StarNet* or *StarCall* or by a written request you give to your *mortgage manager* to give us.

We may make other drawing methods available to you like direct debits, debit cards and cheques. Please ask your *mortgage manager* for details of drawing methods that may be available on your *loan*.

If you wish to make a drawdown on the *facility account* after the *settlement date* for the account by making a written request to us, we must receive your request at least two *business days* before the date you want the funds.

We may charge you a fee for a drawdown that you make by a written request to us.

16.5 Nominated account

We will credit the *nominated account* with drawdowns you make on the *facility account* by *StarNet* or *StarCall* or by a written request to us. We will seek to do so within two *business days* of receiving your request.

16.6 Payments

The *schedule* sets out the payments you must make on the *facility account*.

Interest only payments apply to the *facility account* for an initial period set out in the *schedule*. We will give you at least 20 days prior notice of the payments you must make from the end of the interest only period.

16.7 Balance owing must not exceed credit limit

If the *balance owing* on the *facility account* exceeds the *credit limit*, you must immediately pay the excess to us without demand from us.

16.8 Changes to the line of credit facility

In addition to other rights to vary the contract for your *loan*, we may:

- change the method of calculating payments on the *facility account* on giving you at least 20 days notice; and
- cancel the *credit limit* without notice to you if you are in *default*. Please see clause 10.1 for when you may be in *default*.

If we cancel the *credit limit*, you cannot make further drawdowns on the *facility account* and we may cancel or withdraw a drawing method without notice to you.

PART 4: INFORMATION STATEMENT

PART 1: Information Statement – things you should know about your proposed credit contract

This information statement only applies to your *loan* if *credit law* to the *loan* applies. This statement tells you about some of the rights and obligations of yourself and the credit provider. It does not state the terms and conditions of your contract.

If you have any concerns about your contract, contact the credit provider and, if you still have concerns, our external dispute resolution scheme, or get legal advice.

THE CONTRACT

1 How can I get details of my proposed credit contract?

Your credit provider must give you a pre-contractual statement containing certain information about your contract. The pre-contractual statement, and this document, must be given to you before

- your contract is entered into; or
- you make an offer to enter into the contract;

whichever happens first.

2. How can I get a copy of the final contract?

If the contract document is to be signed by you and returned to your credit provider, you must be given a copy to keep. Also, the credit provider must give you a copy of the final contract within 14 days after it is made. This rule does not, however, apply if the credit provider has previously given you a copy of the contract document to keep.

If you want another copy of your contract, write to your credit provider and ask for one. Your credit provider may charge you a fee. Your credit provider has to give you a copy

- within 14 days of your written request if the original contract came into existence 1 year or less before your request; or
- otherwise within 30 days of your written request.

3. Can I terminate the contract?

Yes. You can terminate the contract by writing to the credit provider so long as

- you have not obtained any credit under the contract; or
- a card or other means of obtaining credit given to you by your credit provider has not been used to acquire goods or services for which credit is to be provided under the contract.

However, you will still have to pay any fees or charges incurred before you terminated the contract.

4. Can I pay my credit contract out early?

Yes. Pay your credit provider the amount required to pay out your credit contract on the day you wish to end your contract.

5. How can I find out the pay out figure?

You can write to your credit provider at any time and ask for a statement of the pay out figure as at any date you specify. You can also ask for details of how the amount is made up.

Your credit provider must give you the statement within 7 days after you give your request to the credit provider. You may be charged a fee for the statement.

6. Will I pay less interest if I pay out my contract early?

Yes. The interest you can be charged depends on the actual time money is owing. However, you may have to pay an early termination charge (if your contract permits the credit provider to charge one) and other fees.

7. Can my contract be changed by us?

Yes, but only if your contract says so.

8. Will I be told in advance if my credit provider is going to make a change in the contract?

That depends on the type of change. For example

- you get at least same day notice for a change to an annual percentage rate. That notice may be a written notice to you or a notice published in a newspaper.
- you get 20 days advance written notice for
 - a change in the way in which interest is calculated; or
 - a change in credit fees and charges; or
 - any other changes by your credit provider,

except where the change reduces what you have to pay or the change happens automatically under the contract.

9. Is there anything I can do if I think that my contract is unjust?

Yes. You should first talk to your credit provider. Discuss the matter and see if you can come to some arrangement. If that is not successful, you may contact your credit provider's external dispute resolution scheme. External dispute resolution is a free service established to provide you with an independent mechanism to resolve specific complaints. The credit provider's external dispute resolution provider is the Credit Ombudsman Service and can be contacted at:

- PO Box A252, Sydney South NSW 1235
- Telephone 1800 138 422 or (02) 9273 8400 9am – 5pm Monday to Friday AEST
- Facsimile (02) 9273 8440
- Website www.creditombudsman.com.au

Alternatively, you can go to court. You may wish to get legal advice, for example from your community legal centre or Legal Aid.

You can also contact ASIC, the regulator, for information on 1300 300 630 or through ASIC's website at <http://www.asic.gov.au>.

INSURANCE

10. Do I have to take out insurance?

Your credit provider can insist you take out or pay the cost of types of insurance specifically allowed by law. These are compulsory third party personal injury insurance, mortgage indemnity insurance or insurance over property covered by any mortgage. Otherwise, you can decide if you want to take out insurance or not. If you take out insurance, the credit provider cannot insist that you use any particular insurance company.

11. Will I get details of my insurance cover?

Yes, if you have taken out insurance over mortgaged property or consumer credit insurance and the premium is financed by your credit provider. In that case the insurer must give you a copy of the policy within 14 days after the insurer has accepted the insurance proposal.

Also, if you acquire an interest in any such insurance policy which is taken out by your credit provider then, within 14 days of that happening, your credit provider must ensure you have a written notice of the particulars of that insurance.

You can always ask the insurer for details of your insurance contract. If you ask in writing, your insurer must give you a statement containing all the provisions of the contract.

12. If the insurer does not accept my proposal, will I be told?

Yes, if the insurance was to be financed by the credit contract. The insurer will inform you if the proposal is rejected.

13. In that case, what happens to the premiums?

Your credit provider must give you a refund or credit unless the insurance is to be arranged with another insurer.

14. What happens if my credit contract ends before any insurance contract over mortgaged property?

You can end the insurance contract and get a proportionate rebate of any premium from the insurer.

MORTGAGES

15. If my contract says I have to give a mortgage, what does this mean?

A mortgage means that you give your credit provider certain rights over any property you mortgage. If you default under your contract, you can lose that property and you might still owe money to the credit provider.

16. Should I get a copy of my mortgage?

Yes. It can be part of your credit contract or, if it is a separate document, you will be given a copy of the mortgage within 14 days after your mortgage is entered into.

However, you need not be given a copy if your credit provider has previously given you a copy of the mortgage document to keep.

17. Is there anything that I am not allowed to do with the property I have mortgaged?

The law says you cannot assign or dispose of the property unless you have your credit provider's, or the court's, permission. You must also look after the property. Read the mortgage document as well. It will usually have other terms and conditions about what you can or cannot do with the property.

18. What can I do if I find that I cannot afford my repayments and there is a mortgage over the property?

See the answers to questions 20 and 21.

Otherwise you may

- sell the property, but only if your credit provider gives permission first;

OR

- give the property to someone who may then take over the repayments, but only if your credit provider gives permission first.

If your credit provider won't give permission, you can contact their external dispute resolution scheme for help.

If you have a guarantor, talk to the guarantor who may be able to help you.

You should understand that you may owe money to your credit provider even after the mortgaged property is sold.

19. Can the credit provider take or sell the mortgaged property?

Yes, if you have not carried out all of your obligations under your contract.

GENERAL

20. What do I do if I can not make a repayment?

Get in touch with your credit provider immediately. Discuss the matter and see if you can come to some arrangement. You can ask your credit provider to change your contract in a number of ways:

- to extend the term of your contract and reduce payments; or
- to extend the term of your contract and delay payments for a set time; or
- to delay payments for a set time.

21. What if the credit provider and I can not agree on a suitable arrangement?

If the credit provider refuses your request to change the repayments, you can ask the credit provider to review this decision if you think it is wrong.

If the credit provider still refuses your request you can complain to the external dispute resolution scheme that your credit provider belongs to. Further details about this scheme are set out below in question 23.

22. Can my credit provider take action against me?

Yes, if you are in default under your contract. But the law says that you can not be unduly harassed or threatened for repayments. If you think you are being unduly harassed or threatened, contact the credit provider's external dispute resolution scheme or ASIC, or get legal advice.

23. Do I have any other rights and obligations?

Yes. The law will give you other rights and obligations. You should also **READ YOUR CONTRACT** carefully.

IF YOU HAVE ANY COMPLAINTS ABOUT YOUR CREDIT CONTRACT, OR WANT MORE INFORMATION, CONTACT YOUR CREDIT PROVIDER. YOU MUST ATTEMPT TO RESOLVE YOUR COMPLAINT WITH YOUR CREDIT PROVIDER BEFORE CONTACTING THE CREDIT PROVIDER'S EXTERNAL DISPUTE RESOLUTION SCHEME.
